Cedarville University Board of Trustees: Statement Regarding Termination of Anthony Moore

CEDARVILLE, OHIO -- The Board of Trustees at Cedarville University was recently made aware of additional information related to Dr. Anthony Moore's past that led to the termination of his employment by our president, Dr. Thomas White, on Thursday, April 23, 2020. The board is incredibly grieved over this new information and the questions it raises. This matter was our priority at our spring Trustee meeting. We understand the gravity of this situation, and we covet your continued prayers.

The trustees have endorsed and ordered the following three courses of action:

1. We are hiring an independent firm to conduct an internal investigation to ensure nothing inappropriate involving Dr. Moore took place on our campus or with any of our students elsewhere. This firm will report to the board, and the board will then report the findings to the Cedarville University community at-large.
2. We are retaining an independent firm to conduct an audit of the entire process surrounding the hiring of Dr. Moore. This will include a thorough review of all relevant communication involving Dr. White and Dr. Moore, the trustees, The Village Church, employment references, etc. The firm will report its findings to the board.
3. We have placed Dr. White on administrative leave during these investigations and have appointed Lt. Gen. (Ret.) Loren Reno as acting president of Cedarville University. Gen. Reno currently serves as senior advisor, office of the president, and was formerly vice president for academics at Cedarville. Dr. White has pledged his full support of both internal reviews being conducted and will make himself available to respond to either inquiry as requested. Dr. White will also fulfill his commitment to participate in the Senior Celebration online event on Saturday to honor the class of 2020.

As our Cedarville University community processes this situation, we pray we would do so with humility, grace, mercy, integrity, civility, and respect. Above all, we pray God would be honored by our deliberations and actions.
